

Band Name Ideas — Foxy Shazam Energy

Glam-vaudeville bombast: a magic word, an animal, jazz hands, and a horn section nobody asked for. Optional puns on OWNER / OPERATORS.

Foxy-Shazam-flavored

Animal + magic-word + theater kid.

- **Sly Abracadabra**
- **Velvet Hocus**
- **Foxglove Kaboom**
- **The Dapper Wolves**
- **Razzle Mongoose**
- **Sequins & Sawdust**
- **Cardinal Kapow**
- **Weasel Vaudeville**

Punning on OWNER / OPERATORS

Trucking + glam — the good lane.

- **Owner Operatic** — truck stop meets opera house
- **The Sole Proprietors** — deadpan double-meaning
- **Diesel Mercury** — Freddie by way of a fuel pump
- **Gross Vehicle Weight** — real DOT term, great glam-sleaze name
- **Per Diem & the Dispatchers**
- **Long Haul Cabaret**
- **The 18-Wheel Revue**
- **Deadhead Mileage** — "deadhead" = an empty trucking run
- **Rig Spectacular**

If you twisted my arm

- **Owner Operatic** — the pun crown
- **Diesel Mercury** — instant Foxy/Queen DNA
- **Razzle Mongoose** — pure "what did I just read"

Scratchpad — not canon. Run finalists past the OWNER/OPERATORS naming rules before locking anything.
