

Killin' It

Foxy Shazam cover

Oh, oh, oh, oh Oh, oh, oh, oh

I go dancing on the ceiling sometimes It's always fun but I get scared of the climb Will you catch my fall? Catch my fall?

The notes I play put a stain on my heart Some songs I hate, some I hate even more I act a fool Am I the fool?

So tell me, Eric, does it hurt, hurt? (Uh-huh) So tell me, Eric, does it hurt? (Not at all)

I'm killin' life like a one way ticket to hell I'm on a high goin' down, down, down I wanna wipe that sad, sad feelin' away Down, down, down

I'm killin' life like a one way ticket to hell I'm on a high goin' down, down, down I wanna wipe that sad, sad feelin' away Down, down, down (Oh, oh, oh, oh) (Oh, oh, oh, oh)

The words I sing burn my throat as they leave Desperate measures for these times are in need Do you feel the same? (Feel the same) It's such a shame

So tell me, Eric, does it hurt, hurt? (Uh-huh) So tell me, Eric, does it hurt? (Not at all)

I'm killin' life like a one way ticket to hell I'm on a high goin' down, down, down I wanna wipe that sad, sad feelin' away Down, down, down

I'm killin' life like a one way ticket to hell I'm on a high goin' down, down, down I wanna wipe that sad, sad feelin' away Down, down, down Down, down, down Down, down, down

We are not ordinary things We are not ordinary things

I wanna play it A little bit louder now A little bit louder now A little bit louder now

I wanna play it A little bit louder now A little bit louder now A little bit louder now

I'm killin' life like a one way ticket to hell I'm on a high goin' down, down, down I wanna wipe that sad, sad feelin' away Down, down, down

I'm killin' life like a one way ticket to hell I'm on a high goin' down, down, down I wanna wipe that sad, sad feelin' away Down, down, down Down, down, down
