

Killin' It — Keys

Foxy Shazam cover · Key of G major · ~143 bpm

Stay on the **G major scale: G A B C D E F#** (the trap is **F** — always **F#**). Sections run top-to-bottom in play order. Each one: the changes, then the chord shapes. **Hollow dot = root/bass**. Map at the very bottom.

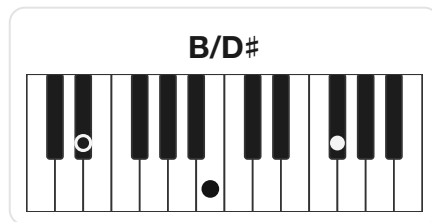

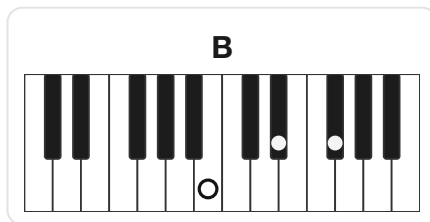

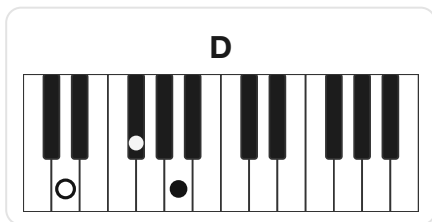

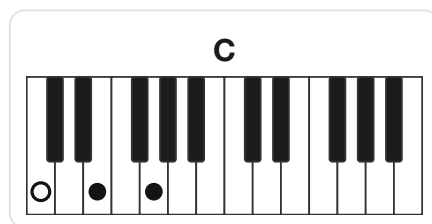

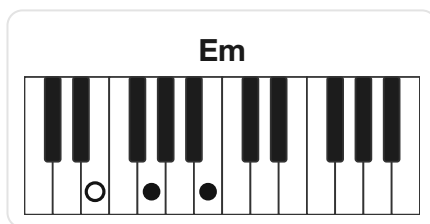

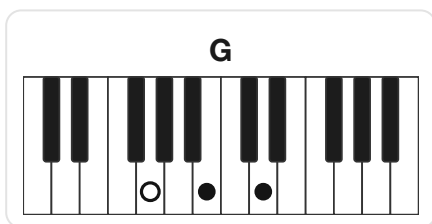

1 · Intro x2

| G | Em | C | B |

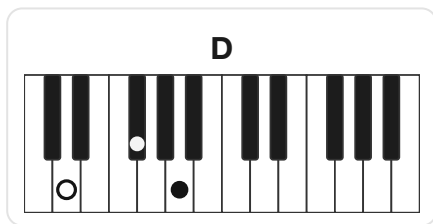

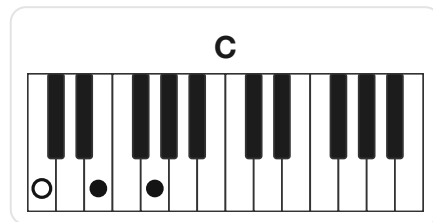

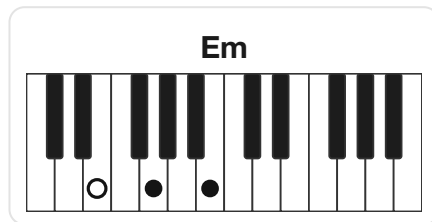

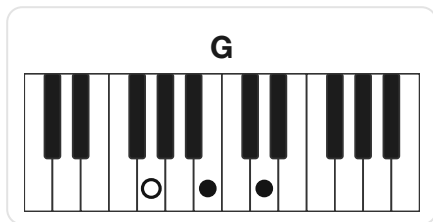

2 · Verse

| G | Em | C B | · then · | G | Em | C D B/D# |

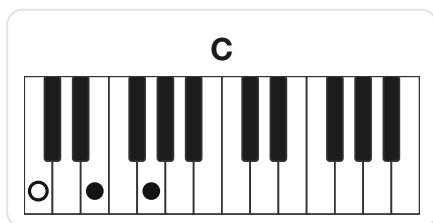

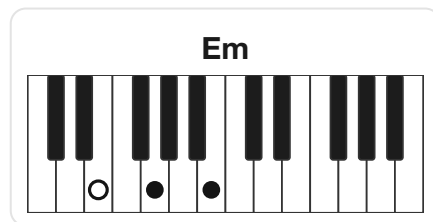

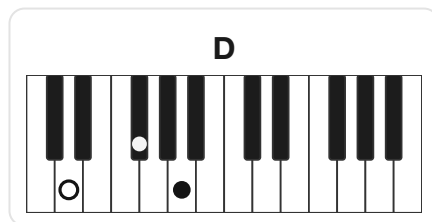

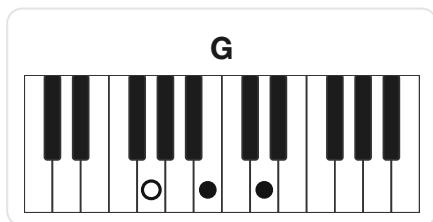

3 · Pre-chorus — "So tell me, Eric..."

By ear — exact changes unconfirmed; these are the song's pool.

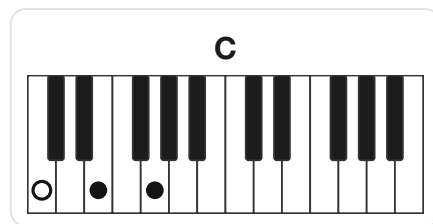

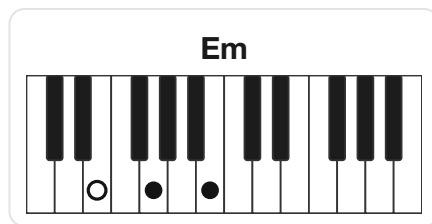

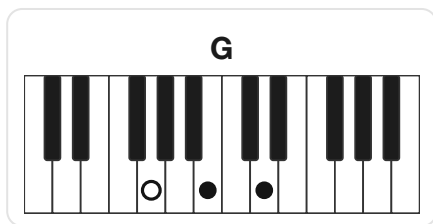

4 • Chorus x2

| G D | Em C | G D Em | C |

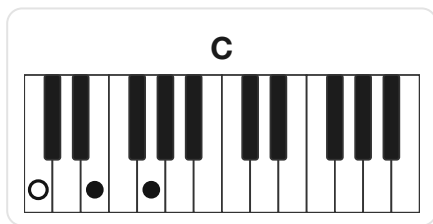

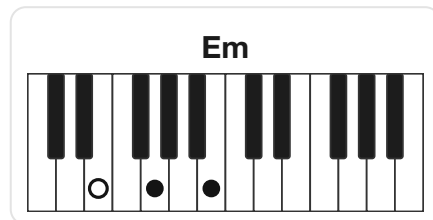

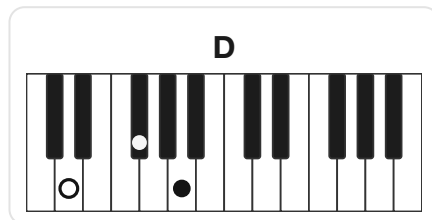

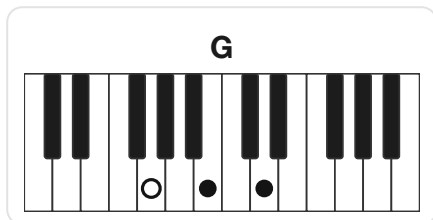

5 • Bridge — "We are not ordinary things"

By ear — exact changes unconfirmed; these are the song's pool.

6 • Build — "A little bit louder now" x3

By ear — likely vamps the chorus.

Play order

Intro → Verse → Pre-chorus → **Chorus x2** → Verse → Pre-chorus → **Chorus x2** → Bridge → Build → **Chorus x2**

Which notes to play

C#	D#	F#	G#	A#	← black keys
x	x*	✓	x	x	

C	D	E	F	G	A	B	← white keys
✓	✓	✓	x	✓	✓	✓	

✓ play (in key, G major) x avoid (out of key)
 F# is the ONLY black key in G – play it freely
 D#* is good ONLY over the B chord – it's the borrowed note

Confirmed chords (intro / verse / chorus) from Ultimate-Guitar / Songsterr + the song's arrangement; pre-chorus, bridge, and build are by-ear from the same pool. Key analysis from the G-major scale. Verify B vs Bm against the recording.
